Ascent: 22 m
Duration: 1,5 h
Highest point: 449 m ü.d.M.

In and around Liechtenstein by bike

Liechtenstein can easily be reached by bike from Lake Constance along 60 km of signposted cycle trails. Although it is located in the middle of the mountains, there are not only mountain bike tours, but also nice and easy rides for families and pleasure-seekers, making it ideal for an outing from Lake Constance.
